As your summer assignment in Analysis Group draws to an end, I would like to extend my sincere appreciation for a job well done. Your efficiency in filing newspapers and leadership statements, compiling commentary lists, sorting mail, and performing a variety of research tasks made a substantial contribution to the work of the USSR/EE division.

With the successful completion of your first summer as an Agency employee, I want to wish you the best of luck in the coming academic year at Washington University.

Sincerely,
